

August 21 – 31

Homework

- Homework is sent home every Monday. The homework is not meant to be completed in one night and is due back on Friday 😊.
- I have placed each child's RAZ Kids passwords as well as student ID numbers on the left side of your child's chameleon folders.
 - What is RAZ Kids? RAZ Kids is an app/website where your child can practice reading and reading comprehension. We have seen tremendous growth in the students that practice on RAZ Kids, even weekly!

Miscellaneous

- Please send in a water bottle for your children to take with them when we go outside to play. We are allowed outside unless the temperature is above 94°
- We are underway with community snack and about to begin having mystery readers in the classroom! If you would like to help out please check our class website for more details!

What We're Learning!

Letterland – We have completed our fast track portion of Letterland and will soon be going more in depth with letters and their sounds, as well as handwriting.

Writing – we are continuing to add detail to our pictures as well as introducing labels.

Math – we will be working on identifying numbers up to 20 and introducing daily math talk and centers.

Reader's Workshop – we will be reading various stories and working on comprehension strategies like retell, infer, opinion, predictions and visualizing parts of a story.

Sight Words – We are working on the following sight words this month:

I, a, like, see
