

# September

## September 1-15

### Volunteers

- If you would like to be a chaperone for field trips or to volunteer in the classroom you will need to complete the volunteer page on a computer in the Media Center (library). It **cannot** be done from home and it takes about 2 weeks to process. Our first field trip to Lowe's Foods is on October 11!

### Community Snack

- Please visit my website to find out more information and consider donating towards our community snack, please remember all snacks must be store bought and nut free, and don't forget about juicebox Fridays 😊! We currently have 20 students in our class

### Recess

- Please remember to send water bottles to school. It is still hot out when the children are playing during recess and we want them to be hydrated! Since all kindergarten teachers are outside for recess we cannot send them in for water without supervision.

## September Birthdays!

No Birthdays this Month ☹️  
Check back in October!

## Important Dates

September 4<sup>th</sup> –  
No School – Labor Day

September 8<sup>th</sup> –  
Field Trip Forms Due

September 29<sup>th</sup> –  
Early Release at 1:15pm

October 6<sup>th</sup> –  
50<sup>th</sup> Day of School

October 11<sup>th</sup> –  
Field Trip to Lowe's Food

## What We're Learning!

**Literacy** – reading *The Recess Queen* and *Stand Tall Molly Lou Melon*. We will be working on answering various questions relating to the book. Your children will be learning how to infer, visualize, connect, predict and retell these stories!

**Math** – number formation as well as comparing numbers up to 10.

**Writer's Workshop** – becoming successful writers. A successful writer sounds out their words, takes their time and draws and labels pictures.

**Social Studies** – citizenship and properties.

Science – force and motion.

## Sight Words

*These are sight words that should be mastered by the end of quarter one. Continue to work on sight words daily to help your children master them!*

I, a, like, see, at, the,  
look, me, am, come
